

## KASS FTP INSTRUCTIONS

### FTP for Kass Customers

#### To access the Kass Marketing FTP Site:

Use your favorite FTP client utility program with the following login information:

URL: = <ftp://www.kassmarketing.com> (just kassmarketing.com will work in most ftp utility programs)

User: = customer@kassmarketing.com

Pass Word: = kass

**PLEASE:** Naming convention should be used with your company name starting the file name so that it is easily identifiable for you and for us.

**Note:** If you do not have an FTP client utility program, you can download one for free at <http://filezilla-project.org/download.php>

**PLEASE SEND US AN EMAIL TO [KMG@KASSCORP.COM](mailto:KMG@KASSCORP.COM)**

**TO LET US KNOW YOUR FILES HAVE BEEN UPLOADED**
